

Prayer for Young People

Lord lead me along the path of your love,
and keep me faithful to the journey I make.

With the fire of your Spirit,
illumine the road I travel, and help me up
when I stumble and fall.

With your word of truth,
make me a faithful pilgrim, and help me to
choose what is right and just and true.

From your heart of love,
give me the grace I need to love my fellow
pilgrims, and to share with them your peace.

With the power of your cross,
teach me to pour out myself in service of the
poor, that my life might be filled with your
love.

From the table of your Word and your
Body and Blood,
nourish me with food that gives life.

Lead my steps safely along your path
and gather me in with all your sons and
daughters, together with our Holy Father, and
all who make their way to you and the life
you promise. Amen.
